

Message to our members

We hope you are all safe and well. Since the closure of the Centre we have been concentrating on contacting all ticket holders, many of whom are members, to explain the current situation, notify them of rearranged performances and offer them refunds. We have been deeply touched by the many donations and kind words said about the important contribution the Centre makes to the community.

Stay involved

To entertain people while we are closed, we are planning a series of virtual and participative events via our website, the press and social media channels. We have a short story competition "A Random Act of Kindness" running until May 3. There will be a weekly poem and regular articles on the theme "Getting to Know the Arts Centre". Watch out for more coming soon.

Membership update

The membership of the Arts Centre plays a vital part in its future success, and we want to let you know that we are reviewing the best way to recompense members for the enforced closure of the Centre.

Once the length of closure has been determined we will be making this decision, but in the meantime we would request that all memberships due for renewal over the next few months are renewed through the website where possible. This will obviously greatly assist our cash flow in these difficult times. We will not be sending out the normal renewal letter, but will send a reminder by e-mail where possible.

Rest assured that whatever recompense is decided upon will be applied to all memberships.

Please stay safe and well and we look forward to welcoming you all again when the Centre reopens.

Jenny Parker, Chairman and Kevin Harrison, Membership Secretary
